

What do you think REAL. LIFE. is like for these children?

"I'm only one person, but I can make a difference!"

Try to put yourself in the shoes of these children and write your responses. Use your imagination and what you have learned from the REAL. LIFE. exhibit.

Who are these children?

Look carefully at the picture. Where do you think these children are?

What do you think has happened to them?

What do you think their lives are like?

What is it like to live in a camp because rebels have burned your home?

What would it be like to live with only one meal a day and very limited water?

What would it be like to have your parents killed by the rebel soldiers?

What is the picture saying to you?

What will the future be like for these children?

What do they need?

If you could do something for these children, what would you do?
What would you say?
