Part II Declaration and Signature Authorization of Officer

Under penalties of perjury, I declare that I am an officer of the above organization and that I have examined a copy of the organization's 2014 electronic return and accompanying schedules and statements and to the best of my knowledge and belief, they are true, correct, and complete. I further declare that the amount in Part I above is the amount shown on the copy of the organization's electronic return. I consent to allow my intermediate service provider, transmitter, or electronic return originator (ERO) to send the organization's return to the IRS and to receive from the IRS (a) an acknowledgement of receipt or reason for rejection of the transmission, (b) the reason for any delay in processing the return or refund, and (c) the date of any refund. If applicable, I authorize the U.S. Treasury and its designated Financial Agent to initiate an electronic funds withdrawal (direct debit) entry to the financial institution account indicated in the tax preparation software for payment of the organization's federal taxes owed on this return, and the financial institution to debit the entry to this account. To revoke a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537 no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment. I have selected a personal identification number (PIN) as my signature for the organization's electronic return and, if applicable, the organization's consent to electronic funds withdrawal.

Section A. All Supporting Organizations

	Yes	No
1 Are all of the organization's supported organizations listed by name in the organization's governing documents? If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.		
2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).		
3a Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If "Yes," answer (b) and (c) below.		
b Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? If "Yes," describe in Part VI when and how the organization made the determination.		
c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.		
4a Was any supported organization not organized in the United States ("foreign supported organization")? If "Yes" and if you checked 11a or 11b in Part I, answer (b) and (c) below.		
b Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.		
c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.		
5a Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes," answer (b) and (c) below (if applicable). Also, provide detail in Part VI , including (i) the names and EIN numbers of the supported organizations added, substituted, or removed, (ii) the reasons for each such action, (iii) the authority under the organization's organizing document authorizing such action, and (iv) how the action was accomplished (such as by amendment to the organizing document).		
b Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?		
c Substitutions only. Was the substitution the result of an event beyond the organization's control?		
6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (a) its supported organizations; (b) individuals that are part of the charitable class benefited by one or more of its supported organizations; or (c) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? If "Yes," provide detail in Part VI .		
7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (defined in IRC 4958(c)(3)(C)), a family member of a substantial contributor, or a 35-percent controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990).		
8 Did the organization make a loan to a disqualified person (as defined in section 4958) not described in line 7? If "Yes," complete Part I of Schedule L (Form 990).		
9a Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? If "Yes," provide detail in Part VI .		
b Did one or more disqualified persons (as defined in line 9(a)) hold a controlling interest in any entity in which the supporting organization had an interest? If "Yes," provide detail in Part VI .		
c Did a disqualified person (as defined in line 9(a)) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? If "Yes," provide detail in Part VI .		
10a Was the organization subject to the excess business holdings rules of IRC 4943 because of IRC 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? If "Yes," answer (b) below.		
b Did the organization have any excess business holdings in the tax year? (Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)		

Part IV Supporting Organizations (continued)

	Yes	No
11 Has the organization accepted a gift or contribution from any of the following persons?		
a A person who directly or indirectly controls, either alone or together with persons described in (b) and (c) below, the governing body of a supported organization?		
11a		
b A family member of a person described in (a) above?		
11b		
c A 35% controlled entity of a person described in (a) or (b) above? If "Yes" to a, b, or c, provide detail in Part VI .		
11c		

Section B. Type I Supporting Organizations

	Yes	No
1 Did the directors, trustees, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's directors or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove directors or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.		
1		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.		
2		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).		
1		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (1) a written notice describing the type and amount of support provided during the prior tax year, (2) a copy of the Form 990 that was most recently filed as of the date of notification, and (3) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
1		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).		
2		
3 By reason of the relationship described in (2), did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.		
3		

Section E. Type III Functionally-Integrated Supporting Organizations

Form 990 - Organization's Mission

Medical Teams International is a Christian global health organization, helping people affected by disaster, conflict and poverty around the world. We deliver medical and dental care, humanitarian aid, and holistic development programs to all people in need, regardless of religion, nationality, sex, or race. We respond to disasters around the world-and here at home-by sending teams of volunteer medical professionals and medical supplies to care for the sick and injured. We also mobilize long-term health promotion initiatives, collaborating with established partners within each community to ensure that our programs have a sustainable impact.

Form 990, Part I, Line 6

Volunteers host visitors and tour groups in our multi-sensory exhibit, provide general office assistance, represent the organization in community events, help prepare medical supplies and equipment for shipment to international offices and partners, provide free dental care in the Pacific Northwest, provide training and health care to people in need in developing countries and disaster-affected areas, and implement emergency preparedness programs.

direct medical services and training for African physicians and nurses in the areas of general surgery and surgical training, family practice, pediatrics, internal medicine, dental services and training, obstetrics and gynecology, anesthesiology, midwifery, radiology, ultrasound training, management of childhood illness, and surgical nurse training.

MTI also shipped life-saving medicines, supplies and equipment to Democratic Republic of Congo, Liberia, Niger, South Sudan, Uganda and Zambia.

Liberia: In FY15, MTI implemented a safe motherhood project in Sinoe County that strengthened community referral networks through training of clinic health workers and community health volunteers, supportive supervision, and supporting community emergency transport plans. MTI worked in partnership with the County Health Team to increase access to and improve quality of basic health care services in seven health facilities. The project also strengthened 69 Community Health Volunteers (CHVs).

MTI continued to respond to the outbreak of Ebola in Liberia by providing supportive supervision alongside the Liberia Ministry of Health for infection control at 250 health clinics in Montserrado County. MTI also partnered with the MOH and Community Health Teams to provide logistical support, case investigation and contact tracing in Grand Cape Mount, Bomi, and Sinoe Counties.

In FY15, with support from the United States Agency for International Development's (USAID) Office of Foreign Disaster Assistance (OFDA), MTI

responded to reduce mortality and morbidity as a result of the Ebola Virus Disease in Liberia through the Rapid Isolation Treatment of Ebola (RITE) strategy.

In the Bomi, Grand Cape Mount, and Sinoe counties, MTI recognizes the continued need for active and rapid, county-wide interventions, in alignment with the new country strategy for rapid response in the fight to end the outbreak of the Ebola Virus Disease (EVD). MTI has identified gaps in surveillance, preparedness at all levels, management, temporary triage and isolation facilities, and an ability to rapidly respond to suspected outbreaks or hotspots. A package of interventions directly addressed these identified gaps; notably, close support of County Health Teams (CHTs) by building their capacity to rapidly respond to changing situation and context with flexible programming to meet CHT needs.

With support from Paul Allen, MTI provided additional support in responding to the EVD outbreak in seven counties. In Montserrado County, MTI supported Infection Prevention and Control (IPC) at 250 health clinics and averaged 165 visits to facilities of various levels each month. In Bomi, Grand Cape Mount, and Sinoe Counties, MTI provided logistical support, case investigation, and contact tracing in health facilities and in communities to support the Ministry of Health and Social Welfare. MTI provided preventative and responsive healthcare in three refugee camps located in Nimba, Grand Gedah, and Maryland Counties for refugees from Cote D'Ivoire, along with the nearby host communities. The granted funds were used to support the projects and activities listed above by improving and growing office space and locations, covering the cost of consultants and staff

surge capacity, and transport.

With support from OFDA, MTI worked to reduce the morbidity as a result of the Ebola Virus Disease (EVD) outbreak in Montserrado County. Key objectives included ensuring timely case investigation by supporting coordination, logistics and supplies to the Zonal Investigation Teams; providing follow-up support and supervision for EVD infection control and prevention in public and private health facilities; and ensuring proper contact tracing in these facilities. The project benefited a total population of 103,063 (clinicians, non-clinicians, and patients), provided mentoring and supervision to 289 health facilities, and provided 1,129 joint Infection Prevention Control team visitations.

With support from UNICEF, MTI continued to impact the reduction of new cases of the Ebola Virus Disease (EVD) amongst health workers and amongst health facility catchment communities through joint collaborative massive EVD awareness and sensitizations in 52 health facilities in Bomi and Grand Cape Mount Counties. This project focused on the Restoration of Essential Health Services (REHS) and provided services such as staff recruitment, REHS training, emergency office space, assessments and supervision of health facilities, logistical support, and transportation of supplies.

With support received from Humedica, MTI has trained HWS and gCHVs in Sinoe, Bomi, & GCM counties in FY 15, provided regular supportive supervision, supplied health facilities with essential EVD IPC materials, and provided logistical support. The project was successful as the number of EVD cases of HWS and community members was reduced.

Malawi: In FY15, in partnership with Nkhoma Synod, a local organization in Malawi, and in partnership with World Renew, MTI supported a project to reduce the incidence and impact of malnourishment in Mphunzi area of Dedza District (central Malawi). This project will reach 50 villages with a population of 22,240.

Uganda: MTI is implementing emergency and preventative health care programming through targeted relief and development strategies in the northern and southwestern regions of Uganda.

In SW Uganda, with support from the U.S. State Department and UNHCR, MTI is providing medical care to over 91,867 refugees crossing and living along the border of southwestern Uganda. MTI continues to staff six permanent medical facilities in Nakivale with a goal to reduce morbidity and mortality of refugees living in the resettlement camps. Through those clinics, MTI provides medical and health services, including treatment of acute and critical pediatric and medical illnesses, minor surgery, antenatal care, obstetrical assessments and referral, HIV testing and counseling, immunizations, and referral with transportation to health centers. Expanded services include health promotion and education, distribution of insecticide treated mosquito nets, training of community health workers, monitoring-assessment- response to any disease outbreaks, and psychological services to refugees. There are staff quarters on site at the clinic where many of our national staff live and provide 24/7 care to the refugees.

In West Nile, in partnership with UNHCR, MTI provides medical care to approximately 118,778 South Sudanese refugees in West Nile, Uganda, in Adjumani and Arua Districts. MTI provides medical and health services, including treatment of acute and critical pediatric and medical illnesses, minor surgery, antenatal care, obstetrical assessments and referral, HIV testing and counseling, immunizations, and referral with transportation to health centers.

In North Uganda, MTI continued to support community access to health care services in Northern Uganda, reaching over 9,000 individuals. Local Ugandan medical staff conducted integrated outreaches in hard to reach and underserved communities. In Pader, MTI continued to support children affected by "Nodding Syndrome." MTI provided medicines for children with Nodding.

ASIA AND EURASIA

Cambodia: In FY 15, MTI sent 15 volunteer teams to Cambodia. Four of these teams were for the EMS Capacity Building project in collaboration with the Cambodian Ministry of Health, URC and Stanford University. This three year partnership provides comprehensive EMS training and equipping in nine provinces in Cambodia. EMS Basic and intermediate courses are taught to create a Training of Trainers group.

MTI also sent one dental team and one medical team to Foursquare Children of Promise, our partner, and sent one dental team to our partner Christian Resources Ministry. In addition, two new media (photojournalist) teams traveled to Cambodia to better capture the stories and photos of our

project beneficiaries. One other volunteer teaching team was sent to our partner, Angkor Hospital for Children. Two teaching teams were sent to our MTI field office to work with our Safe Motherhood program. MTI also sent three vision teams in FY15.

Our Maternal and Child Health Project in Oddar Meanchey Province is improving the health of children under five and women of reproductive age. Our health promoters are delivering immunizations, nutrition training, controlling diarrheal disease, and addressing water and sanitation issues. Monthly and quarterly trainings were held with village health volunteers to provide additional trainings, support Health Center staff and provide supportive supervision to volunteers. This was year two of a three year project. MTI also conducted a midterm evaluation of the project to monitor the effectiveness of this project. An innovative grant funded a food carts initiative that will provide nutritious food for malnourished children.

MTI is in year two of a three year Safe Motherhood Project in Kampong Cham province. This project is designed to train midwives and traditional birth attendants to reduce morbidity and mortality for mothers and children. This project also builds on the knowledge from our three year EMS project in this same province and will integrate lifesaving materials such as the anti-shock (NASG) garment.

Myanmar (Burma): In FY15, MTI is in year two of a three year Maternal and Child Health project in the TaungNgon region of central Myanmar in collaboration with local partner, Karen Baptist Convention and Hospital. This project provided health trainings for community health workers,

midwives and traditional birth attendants to reduce childhood mortality and morbidity in the 49 target villages. MTI sent one vision team to the Myanmar MTI office in FY15.

In FY 15, MTI also designed a new Emergency Medical Services training program in collaboration with Faith Based Hospitals in the Yangon area to reduce morbidity and mortality of victims of road traffic accidents.

Afghanistan: MTI continued working with Morningstar Development to provide primary health care and medical services to the residents of the Kabul, and the surrounding catchment areas. MTI was involved in the implementation of primary health care programs and training for medical workers and healthcare providers. In FY 15, MTI started a new three year project with Morningstar to train village health workers and health center workers. The project's ultimate goal is to improve the quality of care given in both the health center level and in the community.

Romania: MTI continued to partner with Fundatia Heart of Hope (FHH) in Romania to support their programs through dental and physical therapy teams. FHH helped to increase health and improve living conditions for children living in nine government placement centers, two transition homes and several poor villages in Sibiu and Brasov counties. MTI sent two physical therapy volunteer teams to Romania in FY 15 to train local staff and care givers. FHH also established a new partnership with the Sibiu Dental University. Our teams serve children from the placement center and conduct hands on training in this University with university students. In FY 15 MTI also sent 3 dental teams and one community impact team.

Moldova: In partnership with "Coram Deo," MTI sent one dental team to Moldova to work in Oxtenea village, providing hygiene and restorative care to underserved children. MTI also sent in a container shipment of medical supplies to further support the hospitals and health clinics.

Nepal: MTI conducted a disaster response to the April 2015 earthquake. MTI subsequently sent 2 teams to Nepal of medical professionals.

In addition, MTI's program of the "Restoration of Childhood, Reproductive, Maternal and Newborn Health Services in Dhading District" provided hygiene kits and training to community health care workers after the earthquake. This project also provided clean delivery kits to decrease infant mortality in Nepal.

EMERGENCY RESPONSE AND GLOBAL SECURITY

Medical Teams International deployed a total of 7 volunteers in FY15 for direct curative care following and/or during a disaster. The Emergency Relief and Global Security Team of Medical Teams International responded in three countries - one medical team to Lebanon to assist Syrian refugees; one medical team responded to Typhoon Hagupit in the Philippines; and two medical teams responded to assist earthquake relief efforts in Nepal.

LATIN AMERICA

In FY15, MTI Latin America programs served 94,409 people. MTI provided health training, medical care and community impact services through 41 volunteer teams (245 volunteers) sent to El Salvador, Guatemala, Haiti and
