

Prayers for Thanksgiving

As we gather together in faith and gratitude this Thanksgiving, take time to remember our neighbors around the world who are hurting with these prayers from Medical Teams.

Happy Thanksgiving!

A Prayer for Peace

As we gather together with family and friends in a home that is warm and safe, let us be mindful of the more than 117 million displaced people in our world who had to flee their homes seeking safety. We pray for peace in places like Sudan, Ethiopia, the Democratic Republic of Congo, and Ukraine so that people can return to safety and security; so they can return home.

Lord, hear our prayer.

A Prayer for Nourishment

As we enjoy an abundant Thanksgiving dinner, we pray for the people in our world who do not have access to enough food. Grain production and exports disrupted by war, extreme weather leading to crop damage, and rising costs of fuel and fertilizer have made access to food more difficult, increasing food-insecurity. We pray for the world to come together to ensure everyone has access to reliable, healthy food.

Lord, hear our prayer.

A Prayer for Service

In a world with so much need, on this Thanksgiving Day, let us remember those who are less fortunate than ourselves and think about actions we can take to be part of the solution. May we be willing to serve our neighbors here at home and around the world.
