

EVENT SPONSORSHIP OPPORTUNITIES 2024

When you partner with Medical Teams International, your company becomes a force for good. Together, we can provide loving, life-saving medical care to our hurting neighbors here at home and around the world. Your sponsorship connects you to our broad audience of loyal donors, many of whom are leaders in their industries, and demonstrates your commitment to caring for those who need it most.

ABOUT MEDICAL TEAMS INTERNATIONAL

For over 40 years, Medical Teams has provided loving, life-saving care to people facing crisis at home and abroad. Together with our partners, we work with communities and local experts to best serve the needs of people who are hurting.

In Colombia, Tanzania, Ethiopia, Sudan, Ukraine, and Uganda, we provide basic health care to refugee and migrant communities. In the United States, our Care & Connect Mobile Health program offers free emergency dental and health screenings to people without other access to health care.

“When Medical Teams visits me, I feel happy. I feel encouraged. I feel stronger. They have given me hope. They restored my strength because I had a feeling that my child wouldn’t make it.”

-Florance in Uganda

In 2023, our work included...

- Serving 4.7 million people in 27 countries with loving, life-saving health care.
- Delivering more than 39,000 babies safely, and performing more than 7,400 emergency C-sections, for women across our 6 international programs.
- Providing emergency dental care, vaccinations, and health screenings for more than 12,800 people in the Pacific Northwest, valued at \$3.4 million in services.
- Completing more than 42,500 mental health consultations for people experiencing distress from natural disasters, conflict, or other circumstances.

CORPORATE PARTNER RECOGNITION

Your sponsorship comes with the benefits listed below. Your company will be highlighted to thousands of event invitees and hundreds of attendees across events in 2024. Including our four premier fundraising events in the late Spring and early fall.
